

## ULTRA MINI CYCLONES

is a program developed for beginning independent juniors to help build a sound skill base both for orienteering and for life.

**WHO:** The Ultra Mini Cyclones (UMC) squad is for beginning independent orienteers up to age 13.

**HOW:** Squad members will be provided with the kit, including a logbook for recording activities

**WHEN:** There are 6 specific coaching sessions to complete however, juniors must also attend other events to put these skills into practice and to develop confidence.

**WHY:** As well as getting a really cool kit and developing skills, the squad will be a friendship and support base for beginning juniors.

**COST:** Squad membership is free to all juniors whose families join an Orienteering Qld club.
