

RROC Workshop Program 2017 – Sunday, 26 Feb, St Ursula's College, Rome St

9.00am Morning tea and set up laptops.

9.30am Course setting – using Corpse and Purple Pen and setting courses

11.30am Use and care of RROC gear, including training printer and the battery operated printer

12.00pm Lunch

12.45pm SI – using OE 2010 to run events. Also MeOS as an alternative

You can come for any part of the day. The most important session, the use and care of RROC gear is in the middle. If you can only come to one session, please come to that one (it's immediately followed by lunch ☺).

Please email Felicity rroc@oq.asn.au with dietary requirements.
