

Orienteering Queensland Level 1 Controllers Course

Pre-course Activities

Download and familiarise yourself with the following documents –

OA Competition Rules (Section 2.1 of the OA Operation Manual)

<http://orienteering.asn.au/index.php/operation-manual/>

International Specification for Orienteering Maps;

International Specification for Sprint Orienteering Maps

IOF Control Descriptions

<http://orienteering.org/resources/mapping/>

Download and have a play with Purple Pen course setting software

purplepen.golde.org

Please bring a laptop to the course with these files downloaded, and purple pen installed.

You will need to complete the Aus Sports Commission Introductory Level Officiating General Principals Course prior to accreditation

<https://learning.ausport.gov.au/auth/login/?returnUrl=%2F#>

Have a read through the documents and have a go at answering the following questions –

In Australia, what events are classified as:

Group A – _____

Group B – _____

Group C – _____

Under what conditions should the event organisers consider cancelling (or postponing) the event?

1 – _____

2 – _____

3 – _____

Summarise the rules for provision of water on courses –

Where – _____

How often – _____

How much – _____

When is extra required – _____

Course review –

Open the attached purple pen course file (you'll need to link to the map file). These are a set of courses for an OY you are controlling. Identify at least two problems with each course, and consider how you would resolve the problem with the course setter.

[illegible]

For the event above, make a sketch of the possible layout of the arena.

For the event above, outline a schedule to plan the event. Consider the key responsibilities of the Organiser, Setter and Controller. Use days/weeks relative to the event date, and consider what activities will need to happen after the event. It's usually easiest to start at the end and work backwards.
