

# SSS Final

Thursday 30<sup>th</sup> March

Lane Cove Country Club – River Rd, Lane Cove

## Parking

There is parking outside the country club. However, if possible please park along the west bound side of River road (marked in yellow below). Crossing river road is not out of bounds (but discouraged). However, it might be slightly safer only having to cross three lanes not four. East bound seems to have no-stopping signs.

## Showers

There are at least 4 men's showers in the tennis change rooms. The ladies have at least 2. There are member's showers in the golf club (which should be available). Please feel free to bring a change of clothes. (see below)

## Food

Dave at Tee 4 Two has been told about last years 'issues' and has been told to prepare for over 100 dinners. This should mean there is plenty of choice. Missing from the menu below is "2 large spinach and feta vegetarian quiches". Sorry, I can't guarantee gluten free. Please get there early and get your order in early. (see below for menu)

## Drink

I've asked for 3 people to tend the bar. Hopefully there will be no queues this year. (see below for excerpt from the price list – it's actually 4 pages long )

## Awards & getting dark

I'm hoping most people will have started by 6:20pm. Meaning they should be done, dry and settled by 7:15pm. If you are worried about running late, please bring a head torch.

## The tunnel

To be hopefully less dark this year. TBC.

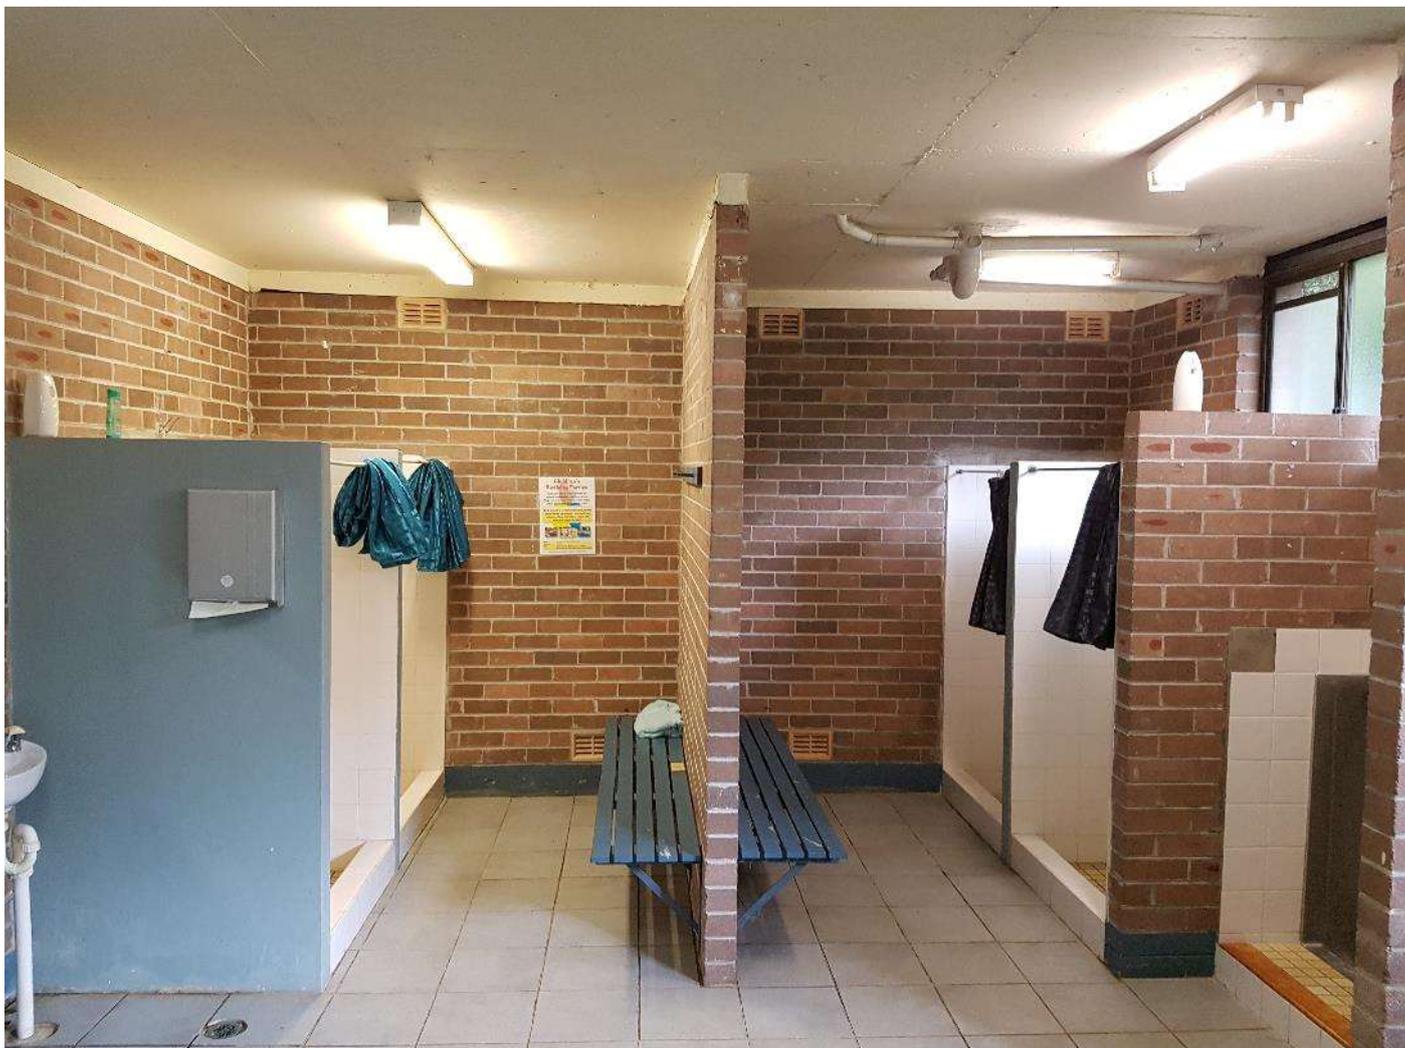

## The course

The golf course will be closed and signs have been posted. The flags on the greens will be removed. A reminder that the greens (putting) are out of bounds as well as the bunkers (sand trap)

## Questions and feedback
