

12 Noon – Presentations (to first 3 placegetters in every class and overall schools winners) followed by the first ever Junior Training Squad* Session (all welcome to stay on for this). Zoe Dowling will be talking about her experiences at the Junior World Orienteering Championships in Switzerland last year, her upcoming trip to New Zealand and then her orienteering travels to Finland.

* **The Junior Training Squad** is a new coaching group for all junior orienteers in Grade 5 or older. There are no eligibility criteria – enthusiasm for orienteering is all that is needed. It's about meeting others who enjoy orienteering and learning new skills from older juniors who are our coaches. Mum, Miriam Whittington is the co-ordinator. There is a number of coaching sessions during the year (mostly Hobart based – but hopefully we can start up in Launceston as well). Kids are not expected to attend every session – just as many as you can get to. Benefits include being given a thumb compass and an Orienteering Tasmania training top.
