5. About This Event:

This is the third of five events that make up the Southern Saturday Afternoon Series.

Escape from the cold Hobart winter and come over to the sunny side of the river. This event is located in the Waverley Flora Park, sitting on the hill between Howrah, Bellerive and Mornington. The park offers fabulous views of Hobart and the Derwent River, as well as plentiful bird life and 190 native plant species. Waverley Park contains an intricate network of tracks and plenty of rock detail to explore.

The start is located towards the lesser-used eastern end of the park. This allows for the shorter courses to be relatively flat, while the longer courses get up on the hill to make the most of the fabulous views.

6. Where Is The Start Area?

The start will be located just inside the entrance to the park at 83 Alford Street, Howrah.

From Clarence Street, turn up the hill into Wentworth Street.

After 350m, turn right into Nankoor Crescent. After 450m, turn right into Anstey Street. After 80m, turn left into Alford Street. There is 2nd entrance to Alford Street a further 300m down Anstey Street.

The start is located 250m along Alford Street.

Parking is quite limited in Alford Street due to resident's vehicles, so parking may be more convenient on Anstey Street. Note above that there are two entrances to Alford Street.
