

Mountain Bike Orienteering Event

Mt Crosby - Sunday 25th June 2017

We're returning to the Mt Crosby BCC reserve after an 8 year break for a Score event through the tracks and trails near Lake Manchester.

Controls will have varied points allocated to them so be careful and pick your route for maximum points, just make it back to the finish before your course closes or penalties will be applied.

Only basic map reading and navigation skills are required. All riding will be on dirt roads and tracks in the hills near Kenmore. There'll be a free BBQ and drink at the end of the event, so hang around and compare your route choices.
