Guidelines for Entering the 2017 Queensland Orienteering Championships using Eventor

The Carnival is set up as a multiple two day event on Eventor. The following notes describe how to enter one person and then how to add more competitors.

When you first log into Eventor, be sure to choose your club and not your state association under the welcome banner.

Find the Qld Champs events on the calendar (under the month of Sept) and click on the box to the right of event 1.That will give you entry to both events

Click the Enter Selected Events button at the top or bottom of the screen.

Having Clicked on 'Enter the Selected Events 'a page will open that will have you entered in the recommended class for your age **for both days**. See the example below.

Please check the class carefully and change it if required. The drop down box shows you what classes you can enter for your age.

NOTE: The "Races" box down the bottom shows "All" which means you're entering both days. You can change this to event 1 or event 2 if you only want to enter on **one** of the days. Just click on the Races box.
