

ENTRY INFORMATION

Location:

Calverts Beach

Date:

Sunday the 6th of August

Event Category:

Southern Region

Event Series Information:

Southern Sunday Local

About This Event:

Enjoy another run on the sunny Eastern Shore! Leave your puffer jacket at home and come to the beach. Explore the sand dunes of recently remapped Calverts Beach. While the event will be held on Hiroshima Day, you won't need to bring your own bomb shelter. You may want to check control codes carefully however. The map will be printed at a scale of 1:3000. Copies of the previous (old) map will be available to look at prior to starting your course, but as this is an updated map, courses will not be available to look at before you punch the start (unless you are a novice) – we don't want to spoil the surprise of a new map. Four courses will be available to suit all ages and fitness levels.

Where is the Start?

From the sunny Eastern Shore head south towards South Arm on the South Arm Highway (B33). Travel through Lauderdale and continue on the South Arm Highway (B33) for approx 14.5km. Look for O signs. Turn left to the parking and assembly area at the Goat's Bluff Lookout.

When Can I Start?

You can start anytime between 10.00am and 12 noon. Starting as early as possible gives you more time to complete the course. We recommend starting before 11:30am if you want to increase your chances of finishing your course before course closure.

When Do I Have To Finish?

You need to finish before the course is closed at 1:00pm. If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

What Are The Courses?

The following courses will be available,

Long: 4.7km, 18 controls, hard navigation. This course has a map flip halfway.

Medium: 3.4km, 15 controls, hard navigation

Short: 2.1km, 18 controls, easy-moderate navigation

Novice: 1.4km, 16 controls, very easy navigation

Climb has not been calculated on all courses as it is minimal except for an unavoidable uphill finish to a stunning view. Please don't complain about this - the stunning view that is.

Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. These are also available for purchase at most events. Please note that P-cards are not suitable for courses with more than 19 controls, so talk to the registration team if you have this problem.

Information for Newcomers

Newcomers are encouraged to come along and give orienteering a try. There are courses suitable for newcomers at all orienteering events. No special clothing or equipment is needed and someone will help you get started.

General information for newcomers is available on the website under [Get Involved](#)

What Else Do I Need To Know?

All participants in events conducted by Orienteering Tasmania and its affiliated clubs are required to register. There are two categories of registration, either as a full member or as a casual member. Further details are available on our About Membership page.

As Orienteering Tasmania events are often conducted on private property we have blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering.

Any Food, Entertainment, Coaching or Other Special Attractions?

Some entertainment will be probably be provided on the day, but the details are a little hazy. You'll have to come along to find out what it is! However, the organisers will be definitely be very attractive. They will also offer quality coaching, but you may not want it! Please bring your own food and water.

Carpooling Rendezvous Details for OST Events?

Please place a free advertisement in the weekly bulletin if you are looking to car pool. Email your advertisement to bulletin@tasorienteering.asn.au before 5pm on Tuesday before the event.
