Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. These are also available for purchase at most events. Please note that P-cards are not suitable for courses with more than 19 controls, so talk to the registration team if you have this problem.

Information for Newcomers

Newcomers are encouraged to come along and give bush orienteering a try. Wear comfortable clothing and foot wear suitable for walking or running; bring warm clothes and wet weather gear in case the weather is inclement. Long pants are a good idea if you plan on doing a course that takes you off tracks and through the bush. When you arrive at the event come to the registration desk and let the organisers know you are new; an experienced member will help you through the registration, start and event procedure.

There are courses suitable for newcomers at all orienteering events.

For OST events newcomers may enter on the day at the event, to do either course 7 (moderate navigation) or course 8 (easy navigation).

General information for newcomers is available on the website under [Get Involved](#)

What Else Do I Need To Know?

All participants in events conducted by Orienteering Tasmania and its affiliated clubs are required to register. There are two categories of registration, either as a full member or as a casual member. Further details are available on our About Membership page.

As Orienteering Tasmania events are often conducted on private property we have blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering.

Any Food, Entertainment, Coaching or Other Special Attractions?

The juniors will be running a fundraising BBQ, and will also have drinks and cakes for sale.
