

## ENTRY INFORMATION

**Location:**

Waterworks Reserve, Site 7

Parking at this particular site is limited, so you may need to be parking at a nearby site.

**Date:**

20 August 2017

**Event Category:**

Southern Region Blast

**Event Series Information:**

Southern Local

**About This Event:**

The classic Waterworks Reserve map re interpreted by the Butlers – It has everything, tough rocky ground, playground equipment, views over Hobart (yep you are doing some climbing), swimming opportunities (on Liz's course) and more. And all this within the city limits – its crazy I know but that's the sort of entertainment available in the tops sport of Orienteering.

**Where is the Start?**

Its a long 20m walk from the registration area – probably need to pack a thermos and lunch pack !

**When Can I Start?**

You can start anytime between 10 and 12. Starting as early as possible gives you more time to complete the course.

**When Do I Have To Finish?**

You need to finish before the course is closed at 1 pm. If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

**What Are The Courses?**

Long at 3.3k's hard navigation, 16 controls

Medium at 3 k's moderate to hard navigation, 14 controls

Short, 1.8 k's and easy navigation, 11 controls

Beginners / Novice, 1.2k's easy navigation, 10 controls

**Do I need an e-stick or P card?**

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. These are also available for purchase at most events. Please note that P-cards are not

suitable for courses with more than 19 controls, so talk to the registration team if you have this problem.
