*******bring a torch*******

Terrain: Broad sandy creeks and rocky hillsides with native pines, and the Adelaide-Melbourne railway line running through the middle of the valley. Courses cross under the line at **MANDATORY CROSSING POINTS**

Camping: tents and camper-trailers/caravans may be set up from 4pm onwards; please park as directed. This area has just become part of Kinchina Conservation Park and we are very lucky to be allowed to camp here overnight at no charge; however, **dogs, campfires and alcohol are expressly forbidden**.

Catering: The Junior Arrows, South Australia's Schools' Orienteering Team (and their parents) will be selling soup & cheese toasties for supper and hopefully providing hot breakfast for happy campers ☺

Score It or Do It in Reverse: Sunday's event is open to all ages and abilities, using the same controls as Saturday night - you can either do last night's course in reverse (new maps will be printed for you) or a Choose Your Own Adventure time-limited point-scoring challenge!
