

How to register on Eventor

This season we will be using Eventor for all ACT Orienteering event entries. Using Eventor will reduce the workload on our volunteers who have previously had to manually enter all our Map Mates competitors details into our scoring system, which is a big job!

Unfortunately not all people find Eventor easy to use which is why we have created this 'how to' guide.

To register your child for Map Mates on Eventor your child will need an individual Eventor 'user account'. If your child already has an Eventor user account please login using your child's login and password. If your child does not have a user account, you can create one by pressing the **'Create user account'** and following the instructions.

Please complete all 'user account' details. If your child has their own individual e-stick or 'Sportident' (SI), please enter the number when you create their account. If not you can purchase a discounted e-stick/SI when you register for Map Mates on Eventor.

The process of logging in to Eventor may take you back to the 'Event calendar' page.

By selecting **'Enter and/or order services'** you will be purchasing an **'ACT Wednesday Twilight Series - Season Pass'**. If the correct class is not displayed (see **red boxed** area below) scroll through to select the correct class. You will want either **'BLMJ'** - Blue:Men:Junior, **'BLWJ'** - Blue:Women:Junior, **'GRMJ'** - Green:Men:Junior or **'GRWJ'** - Green:Women:Junior. You will also need to order at least one additional **'service'**.

To be part of the Map Mates competition you need to **'order'** the **'Map Mates Pack'**. The **'Map Mates Pack'** allows you to purchase the Season Pass without joining Orienteering ACT or a club and without previously owning an e-stick/SI!

To 'order' the 'Map Mates Pack' select Map Mates Pack from the drop down box under the 'Available services' section and tap the 'Add' button. You should now have Map Mates Pack listed under 'Ordered services'.

If you don't own an e-stick/SI you can also 'order' your discounted 'Map Mates e-stick' by selecting Map Mates e-stick from the drop down box under 'Available services' and tapping the 'Add' button.

The screenshot shows the Eventor Australia website interface. At the top, there's a navigation bar with the site logo and a search bar. The main content area is titled 'Entry' and displays details for the 'ACT Wednesday Twilight Series - Season Pass + Map Mates Registration'. A blue information box states: 'Participation in this event requires that the entry fee is paid in advance. Entries not paid for will be removed. More information is provided after the entry has been saved.' Below this, there's a table with columns for Name, Club, Class, and Sportident. The 'Class' dropdown is highlighted with a red box and shows 'GRMJ (70 AUD)'. Under the 'Available services' section, 'Map Mates e-stick' is selected in the dropdown, and the 'Add' button is highlighted with a blue arrow. A blue callout box with the text 'Scroll to find Map Mates Pack' points to the 'Add' button. The 'Ordered services' section shows 'No services have been ordered.' At the bottom, the 'Customer details' section has a 'First name' field with 'MapMates' entered.

You should now have **Map Mates Pack** and **Map Mate e-stick** listed under **'Ordered services'**.
