Start 1 is for courses 1 to 6, 9,10 It is 1.3 km from assembly area
Start 2 is for courses 7,8,11,12 It is 1.8 km from assembly area (500 metres past start 1)

Notes from Course Setter

Full leg covering is advised. there are thorny bushes on some route choices
After the recent rain some clay surfaces are very slippery. We recommend you wear your best gripping shoes
All courses cross Slaty Creek so you will get wet feet

Safety Notes

There are some areas of mine shafts on the map marked with black hatching on the map. These are not marked in the field. Check where you are stepping when near these areas. It is possible there are other unmapped mine shafts so generally be aware and take care.

Water is available on courses 1- 10 only

General Note

Junior Squad Cake Store will NOT be available today. You will have to self cater.
