Where is the Start?

Access via South side entrance (Basin Rd West Launceston). Look for the trailer in the carpark.

When Can I Start?

You can start anytime between 4pm and 6pm. Starting as early as possible gives you more time to complete the course.

When Do I Have To Finish?

You need to finish before the course is closed at 6.30pm. If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

What Are The Courses?

Course 1, 23 controls in 2.6km

Course 2, 17 controls in 2.0km – Walkers only also

Course 3, 12 controls in 1.3km

Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. These are also available for purchase at most events. Please note that P-cards are not suitable for courses with more than 19 controls, so talk to the registration team if you have this problem.

How Do I Enter?

Enter on the day at the assembly area.
