

## Sunshine Orienteers Club Event on Pumicestone Road, 12-Nov-17

As the Pumicestone Road pine forest may be logged in 2017 we are holding another event there on 12-Nov-17, with a new assembly area, start and courses. Those of you who attended the inaugural event on this map in June will remember it is very friendly, gently undulating and pretty fast with a network of tracks and rides. There were no DNFs or miss-punches in June. If you missed the June event don't miss your chance to sample this map before it is logged.

### TERRAIN

Gently undulating s pine forest with a network of tracks and rides and point features and minimal climb.

### DIRECTIONS

From the south: Go north on Bruce Highway past Bribie exit and take the next exit, Exit 157 for Pumicestone Road. Turn east over the freeway, proceed about 2.5 km and turn left into forest at O sign.

From the north: Go south on Bruce Highway and take exit 157 (Pumicestone Rd). Turn east, and proceed about 2.5 km and turn left into the forest at O sign.

### SPECIAL INSTRUCTIONS

PLEASE PRE-ENTER. Every pre-entrant will receive a pre-marked, waterproof map. Spare maps will only be printed for Very Easy, Easy and Moderate courses to encourage new orienteers who want to enter on the day and try our sport.

It will not be possible to mark your preferred course on a blank map. SO PLEASE PRE-ENTER.
