

## Further Information for Muckleford MTBO Event

We have 45 entries, so far, including some first-time participants to welcome.

Catering: John and Jenny Sheahan will be bringing up the hot water urn, tea and coffee mugs and biscuits for free.

Toilets: We have not been able to procure a tow away toilet, but we will be providing two portable drop hole toilets on the private land in the assembly area.

Other toilets are available in the Rotunda Park as you enter Newstead just past the turn off to assembly area on the Mia Mia Road. There are also several options in and around Castlemaine. There is an excellent facility at Victory Park in Castlemaine just before the intersection with the Midland Highway. <https://toiletmap.gov.au/Toilet/9041> form the National Toilet Map.
