2018 Sprint Canberra
January 25-28 (Thursday-Sunday)

Four days and five sprint races in detailed urban and forest terrain open to all competitors. The event is being organized by the national orienteering squads as part of a training camp at the AIS. Come and compete against Australia's best or simply enjoy some fun summer holiday orienteering.

Events (TBC)
- Event 1: Thursday 6pm, urban sprint – AIS
- Event 2: Friday 10am, urban sprint – University of Canberra
- Event 3: Friday 5pm, bush sprint – Bruce Ridge
- Event 4: Saturday 5pm, mini sprint – Orana School
- Event 5: Sunday 9am, urban sprint – ANU South

The overall competition will be determined by a point score where four races count so competitors are able to miss one event and get an overall result.

Courses and classes
Course 1: Open – hard navigation, designed for the best competitors, typically 3.0 – 3.5 km courses. The national squad athletes will be competing on this course.
Course 2: Medium – hard navigation and typically 2.7 – 3.0 km long courses.
Course 3: Short – Moderately easy navigation; 2.0 km or less; most suitable for children but open to all.

Small prizes will be offered to the top three men and women overall in Courses 1 and 2. Course 3 is aimed at participation but will be timed.
