ENTRY INFORMATION

Location:

Tolosa Reserve

Event Category:

Southern

Event Series Information:

Southern Summer Cup: Race 1 Middle Distance

About This Event:

This is the 1st of 5 races in 4 days that make up the Southern Summer Cup. Compete in as many or as few as you wish. The overall results will be calculated from your best 4 of 5 races.

The Cup is made up of: 2 middle distance races, sprint, night, and a mass start long race to round it off. Will you be tactical and only run in 4 races? Or do you think your best chance to be champion is to complete all 5.

There are 2 social opportunities at the cup: BBQ on the beach after the sprint race on Friday and an overnight camp at Springvale.

There are 3 courses available at each event: novice, short, and long. So, bring along the whole family and friends – there's something for everyone (what better way to shake off those Christmas calories).

This is a mountain bike park, so please be careful of mountain bikers, they are moving very quickly!

Where is the Start?

End of Tolosa street just before the gate 42°51'14.4"S 147°15'04.2"E.

When Can I Start?

17:30 – 18:30

When Do I Have To Finish?

You need to finish before the course is closed at 19:15. If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also, be aware that as soon as the course is closed, the organisers start bringing in controls.

What Are The Courses?

Course	Distance (km)	Climb (m)	Navigational Difficulty

Novice	1.4	45	Easy
Short	2.0	95	Hard
Long	3.5	155	Hard

Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. These are also available for purchase at most events. Please note that P-cards are not suitable for courses with more than 19 controls, so talk to the registration team if you have this problem.

How Do I Enter?

Pre-entry via Eventor – Deadline for entries is midnight Sunday 7th Jan. Very limited entry on the day

How Much Does It Cost To Enter?

Event Fees	Adult	Adult	Youth or Concession	Youth or Concession	Family	Family
	Casual Member	Full Member	Casual Member	Full Member	Casual Member	Full Member
Individual event	\$12	\$8	\$6	\$4	\$30	\$20
All 5	\$45	\$30	\$22	\$15	\$110	\$75

Contact Information

markpurkis@btinternet.com 0467 762 376

Who are the Course Planners and Course Controllers?

Mark Purkis

Which Map Is Being Used?

Tolosa Reserve, 1:5000, 5m contours

Information for Newcomers

All you need is a pair of running shoes, full leg cover e.g. shorts and gaiters, or running tights, and your good to go. Everything else can be borrowed or hired at the race.

When you arrive at the event go to registration and introduce yourself as a newcomer and there will be someone on hand to offer coaching and advice.

We hope to see you there!

General information for newcomers is available on the website under [Get Involved](#)

What Else Do I Need To Know?

All participants in events conducted by Orienteering Tasmania and its affiliated clubs are required to register. There are two categories of registration, either as a full member or as a casual member. Further details are available on our About Membership page.

As Orienteering Tasmania events are often conducted on private property we have blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering.

Any Food, Entertainment, Coaching or Other Special Attractions?

Come along to the beach BBQ at the west end of Bellerive Beach on Friday evening, after the sprint race and before the night race.

Save a return drive to and from Hobart, and camp on Saturday night at Springvale. You can even go for a cooling dip in the reservoir (at your own risk).
