### ENTRY INFORMATION

**Location:**

Waverley Park

**Date:**

12/01/2018

**Event Category:**

Southern

**Event Series Information:**

Southern Summer Cup: Race 3 Night

**About This Event:**

This is the 3<sup>rd</sup> of 5 races in 4 days that make up the Southern Summer Cup. Compete in as many or as few as you wish. The overall results will be calculated from your best 4 of 5 races.

The Cup is made up of: 2 middle distance races, sprint, night, and a mass start long race to round it off. Will you be tactical and only run in 4 races? Or do you think your best chance to be champion is to complete all 5.

There are 2 social opportunities at the cup: BBQ on the beach after the sprint race on Friday and an overnight camp at Springvale.

There are 3 courses available at each event: novice, short, and long. So, bring along the whole family and friends – there's something for everyone (what better way to shake off those Christmas calories).

There are some large unprotected cliffs on the map, be very careful when in these areas.

**Where is the Start?**

End of Aruma street close to the entrance of the park. Please park respectfully and don't block peoples' driveways 42°51'49.8"S 147°23'13.8"E

**When Can I Start?**

Everyone should be ready to start by 8:50, so that at 21:00 the first wave will set off. Competitors will start every 30s after 21:00 until everyone has started.

**When Do I Have To Finish?**

You need to finish before the course is closed at 22:00. If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also, be aware that as soon as the course is closed, the organisers start bringing in controls.

Please note that P-cards are not suitable for courses with more than 19 controls, so talk to the registration team if you have this problem.

## Information for Newcomers

A good head torch is very useful as you will want your hands free to navigate. In addition, you will

need a pair of running shoes, full leg cover e.g. shorts and gaiters, or running tights, and your good to go. Everything else can be borrowed or hired at the race.

When you arrive at the event go to registration and introduce yourself as a newcomer and there will be someone on hand to offer coaching and advice.

We hope to see you there!

General information for newcomers is available on the website under [Get Involved](#)

### **What Else Do I Need To Know?**

All participants in events conducted by Orienteering Tasmania and its affiliated clubs are required to register. There are two categories of registration, either as a full member or as a casual member. Further details are available on our About Membership page.

As Orienteering Tasmania events are often conducted on private property we have blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering.

### **Any Food, Entertainment, Coaching or Other Special Attractions?**

Come along to the beach BBQ at the west end of Bellerive Beach after the sprint race and before the night race.

Save a return drive to and from Hobart, and camp on Saturday night at Springvale. You can even go for a cooling dip in the reservoir (at your own risk).
