

OWA Camp for Junior Orienteers 2018

Orienteering Western Australia

- We have organised an orienteering camp with accommodation at Kerem Adventure Camp, Bullsbrook, and activities on site and nearby 'O' maps for two days and two nights at the start of the July School holidays.
- We are looking for young people who enjoy orienteering, want to learn more about it and have a fun time with other young people.
- The camp will start at 10.30am Saturday 1st July 2017 at Camp Kerem. Parents are to bring their child to this location. If this is not possible please indicate this on the registration form and we will try to find alternative transport.
-
- The camp will finish at 10.30am, Monday 3rd July at Camp Kerem. Parents are asked to pick up their children from this site. Again, if this is impossible please indicate this on the registration form.
- The camp is open to anyone aged from 10 to 17 years who has participated in at least one bush event or Navdash event in addition to any school events.
- The camp is subsidised by OWA so will only cost \$95 per junior who is 12 years of age and over and \$85 for those 11 years and under. This includes accommodation, meals and activities.
- We do need participants to be members to have a discounted place. Membership is only \$35 for a junior. In addition to the subsidy for

junior camp, there are also discounted entry fees at events and other benefits of membership.

- Note: Although Kerem Adventure Camp has a pool, there will be no water-based activities. We will, however, be making use of their indoor recreation area, permanent orienteering course and camp fire.
- What **YOU must** do:
 - 1 Check with your parents that you will be able to come and that your transport to and from the Camp is arranged. If you are having trouble with transport, indicate this on the Registration form and contact Coreen Maynard, coreenandfrank2011@hotmail.com or 0418 916 327, **before** June 9th.
 - 2 Be a current member of OWA who has participated in at least one bush or Navdash event.
 - 3 Complete the Registration Form and email to Coreen Maynard coreenandfrank2011@hotmail.com
 - 4 Pay for entry via Eventor If you're not already a member, you will need to register first.
