

Shepherds Hill – City to Bush 4

May 20th 2018. Course Planners Notes

Arena

The arena is in the Women's Memorial Playing Fields - entry off Shepherds Hill Road (not Ayliffes Road). Parking along eastern fence (near the creek). Toilets available.

Courses

Four courses available and are all within the Shepherds Hill Reserve. Details below.

Course	Description	Length	Climb
1	Hard	3.6km	100m
2	Moderate	2.5km	70m
3	Easy	2.0km	60m
4	Very Easy	1.4km	35m

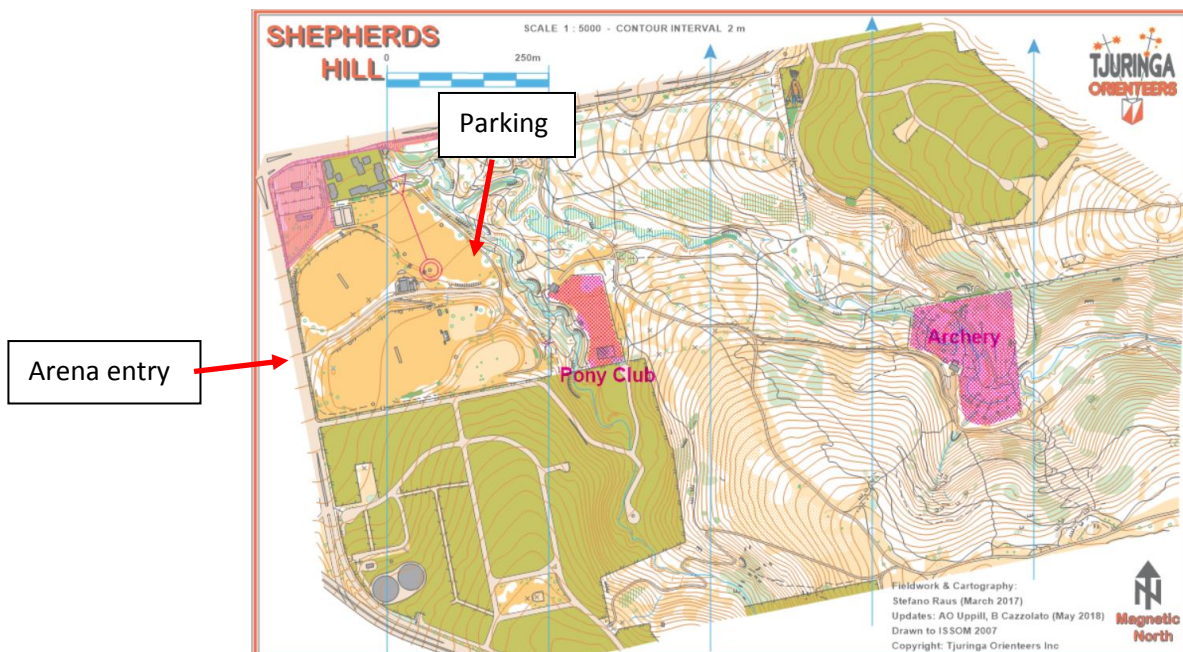

Actual running distance will be slightly longer. Map Scale 1:5,000.

Extensive poisoning of olives, boneseed and other exotics has been undertaken on the southern side of the map affecting the hard course. The poisoned olives are particularly scratchy and should be avoided.

Some tracks have been closed and are overgrown yet still recognisable. Some indistinct tracks may be hard to recognise with fresh new growth of grasses and soursobs.

Out of Bounds

Concurrent with the foot orienteering will be mountain bike orienteering, an archery tournament and pony club meet. This has restricted use of certain areas in the park which are clearly marked on all maps. Please be aware of cars on main dirt road through the park (especially near the Pony Club and Archery Fields) and bikes on all single-tracks (especially for the hard course south of the main dirt road).

EVENT FEES
