Where is the Start?

The start will be from Aquatic Point in the Trevallyn Reserve. Follow Reatta road and take a right turn at the ranger's house (look for orienteering signs). There is parking available at the start, but be careful of runners on the course near the car park.

When Can I Start?

You can start anytime between 10am and 12 noon. Starting as early as possible gives you more time to complete the course.

When Do I Have To Finish?

You need to finish before the course is closed at 1.00pm. If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

What Are The Courses?

There will be the following courses available:

Course 3: Easy navigation, 1.8km

Course 2: Easy to moderate navigation 3.5km

Course 1: More advanced navigation, for those who have been before or who like a challenge 4.9km.

Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. These are also available for purchase at most events. Please note that P-cards are not suitable for courses with more than 19 controls, so talk to the registration team if you have this problem.
