- Discover parks and laneways you didn't know existed in and around Hobart city and suburbs

Where is the Start?

Long Beach Reserve, opposite Sandown Park, Sandy Bay. Look for orienteering signs on Sandy Bay Rd.

When Can I Start?

You can start anytime between 3.30pm and 6.30pm.

Starting as early as possible gives you more time to complete the course.

When Do I Have To Finish?

You need to finish before the course is closed at 7.00pm.

If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

What Are The Courses?

Course	Approx. length	Navigation
Long	4-5 km	Moderate
Medium	3 km	Moderate
Short	2 km	Easy – mostly on tracks
Primary	1.5 km	Very easy – no road crossings

Do I need an e-stick or P card?

We use the SportIdent (SI) electronic punching system for timing so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. P cards will be also available for purchase from \$15, and can be used at any orienteering event thereafter.

How Do I Enter?

You can just turn up and enter at the event.
