

HOW TO ENTER AND PAY

Full Time Participants. Note that Eventor has only **3 Classes**, choose one:

- | | |
|---|------------------|
| 1 Adults- Full Time | \$243 per person |
| 2 Juniors (16 years and under)- Full Time | \$213 per person |
| 3 5 dinners and activities only, own accom. | \$93 per person |

Full Time includes 6 nights accommodation at the Bunkhouse, 5 dinners (eat out on Thursday night), use of Caravan Park facilities, and all organised orienteering activities at Camp.

There is no limit on the number of participants, but accommodation at Bunkhouse is limited to first 50 registrations. Once that is full, or if you do not wish to stay at the Bunkhouse, participants will have to book alternative accommodation with the Caravan Park directly, and tick Class 3 on Eventor. This covers you for 5 dinners and all organised orienteering activities

Other optional purchases or activities will be dealt with separately as **Extras**:

Linen hire	\$15 for 6 nights
Breakfast and Lunch provisions	\$40 for 6 days
Dolphin Cruise	\$7 per person
SkyChallenge	\$40 per person

Accommodation Registrations will close 3 weeks before the Camp, i.e. on Sept 9th. THIS IS THE LAST DAY TO PAY.

You can pay on Eventor **only** if you are Full Time.

Part-timers and Day visitors

You are welcome, but will have to make your own arrangements to pay me directly for dinners and activities. Just email me and say, e.g. 'The 4 of us are coming for Tuesday and Wednesday dinner and evening sessions, and one is vegetarian').

If staying for a few days, or camping on-site, book accommodation with the Caravan Park, and pay them directly.

The Caravan Park has a \$5 per person Day Visitors fee to cover use of toilets, swimming pool, bouncy pillow etc (Pay Caravan Park on entry).

A gold coin donation will be appreciated for persons attending organised activities at the Camp (Talks, Night-O, Trivia night etc).

Dinner is \$17 per head.

The Camp will be run on a non-profit basis, so if there is any significant surplus, it will be distributed back to the participants at the end of the Camp. How much surplus there will be depends on the number of Day Visitors we get, and how much shopping for breakfast and lunch groceries actually costs!
