

How to register on Eventor

This season we will be using Eventor for all ACT Orienteering event entries. Using Eventor will reduce the workload on our volunteers who have previously had to manually enter all our Map Mates competitors details into our scoring system, which is a big job!

Unfortunately not all people find Eventor easy to use which is why we have created this 'how to' guide.

To register your child for Map Mates on Eventor your child will need an individual Eventor 'user account'. If your child already has an Eventor user account please login using your child's login and password. If your child does not have a user account, you can create one by pressing the **'Create user account'** and following the instructions.

Please complete all 'user account' details. If your child has their own individual 'Sportident' (SI) Stick, please enter the number when you create their account. If not, you can purchase a discounted SI Stick when you register for Map Mates on Eventor.

The process of logging in to Eventor may take you back to the 'Event calendar' page. If this happens you can get back to the correct page by either pressing the embedded link below or scrolling down through the events to Wed, 24 October. The event you want looks like this (see red arrow).

By selecting '**Enter and/or order services**' you will be registering your child for the Map Map Mates competition.

You have a choice of classes under which to register your child. These can be changed each week at the events once the competition starts, but it is important to make sure they are registered correctly as either a junior male or junior female.

If you are unsure of which class to place your child please enter them as either:

'BLMJ' - Blue:Men:Junior or 'BLWJ' - Blue:Women:Junior.

These can be selected by scrolling through the '**Class**' (see **red** box below).

Entry terms and conditions

☒ This is a team competition. Teams may consist of 2-4 competitors.
You will be asked for team members and team name, via email, once you have registered.
Each individual team member is required to register. Each individual competitor must have an SI Stick.

If your child has a **Sportident** (SI) Stick please add the number in the box (see **arrow** above). If they don't own an SI Stick, that they can exclusively use during the season, one can be purchased at a discounted Map Mates price through the 'Available services' area (see below).

Purchasing an SI Stick

To purchase an SI Stick, select 'Map Mates SI Stick' from the drop down box under the 'Available services' section and tap the 'Add' button. You should now have 'Mates Mates SI Stick' listed under 'Ordered services' (see Red arrow).
