

MAP RUN ADELAIDE

Extra free fun! Two sprint events that you can do on your Smartphone!

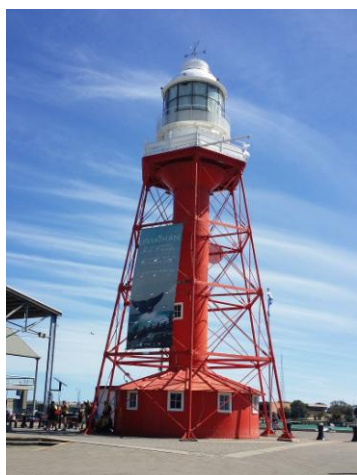

MapRun - It's orienteering with a smartphone, which has map (or you can use a paper copy), GPS and electronic punching all rolled in to one.

Courses will be open anytime during the Carnival. You can download the free App now, and have a look at the courses in advance! Use your phone only, or download and print your own paper map.
