### Notes

The 2018/19 ACT Runners Shop Twilight Series runs from 17 October 2018 through to 6 March 2019 with a break over Christmas.

This season pass does not include Sprint Canberra to be held in late January.

There is no refund in the unlikely case that an event is cancelled.

### Family Discount

A family discount is applied automatically when **three or more competitors apply for a Season Pass at the same time**. The Family Discount will automatically apply according to the algorithm set out in the examples below. The discounts will be applied to any entry of three or more entries comprised of at least one adult (aged 21 and above), but no more than two adults (it doesn't prevent application to groups with more adults, it just ignores the other adults), and at least one junior (aged 20 and below)

A family will pay for the three most expensive entries only (as defined by the event entry fees); see examples below:

1. Example 1: 2 adults, 1 junior. Entry will be charged for 2 adults and 1 junior. \$203
2. Example 2: 1 adult, 3 juniors. Entry will be charged for 1 adult and 2 juniors. \$181.
3. Example 3: 2 adults, 1 more adult, 2 juniors. Entry will be charged for 2 adults, 1 Junior and 1 other adult. \$278.

### Registration Deadlines

The Season Pass list is compiled at 12pm the day before each twilight event, if you purchase a pass after this time you will need to bring proof of purchase to the event (either the printed Eventor receipt, or you can show your name on the Eventor entry list on your phone). Passes may be purchased at any point during the season.

If you are not registered prior to an event you will need to pay enter on the day at that event.
