

# **Information Sheet**

## **2018 Red Roos AGM (Annual Gathering of Members)**

The 2018 Red Roos AGM (Annual Gathering of Members) will be held at Eddison Park, Launceston St Phillip from 12.00 pm on Sunday 16 December. Eddison Park is one of the sites for Orienteering ACT permanent courses; see more below.

### **Facilities and Food**

There is a public BBQ facility at Eddison Park and as such is open to others to use. Head Roo, Stephen Goggs plans to get there early to try to reserve it informally. He will also arrange meats and vegetable alternatives to barbeque, so you just need to BYO everything else – drinks, salads, desserts. There are some seats, and Stephen Goggs will bring 10 plastic chairs, but probably worth it to bring along a chair also.

### **Social Activities**

As indicated above Orienteering ACT has established permanent courses at Eddison Park. There are three maps:

- EddisonPark-Long
- EddisonPark-Moderate
- EddisonPark-Short

PDF copies of the maps are available from event notice on Eventor. Stephen Goggs will arrange for extra copies of the permanent course maps and some control cards.

There is also a disc golf course, so if you have any discs (or frisbees) bring them as well.

### **Formal and Semi-formal Activities**

At the end of each year decisions have to be made about who will perform specific duties for the club in the following year and whose performances throughout the past year should be recognised appropriately.

### **Positions to be filled:**

- Head Roo
- Events Coordinator(s)
- OACT Council Delegates (two)
- Roos Noos reporter for OACT Quarterly News
- Membership Secretary (new position to monitor memberships which Bob Mouatt will take on unless somebody else wants the position)
- Finance Secretary (new position to monitor funds managed in trust by OACT; in past we have lost some funds through the misreporting of income and expenditure)

### **Awards** (see Red Roos Honour Board for more information):

- Red Roos Improver of the Year
- Slow and Steady Award
- Grey Owl Award

### **RSVP Options**

There are two RSVP options (**Please respond by COB Wednesday 12 December**):

- by entering the event at <http://act.orienteering.asn.au/eventor/events/details/7552/> and ordering the number of Barbeque you require under Services (no cost); or
- emailing Stephen Goggs at [goggso@iinet.net.au](mailto:goggso@iinet.net.au) (mobile 0401 994 975)

### **Inclement Weather Arrangements**

Stephen Goggs will advise a wet weather plan once we see the forecast closer to the time.
