

SYDNEY SUMMER SERIES

4th annual Anniversary Cup

Wed 30 January, 2019

Last year's Anniversary Cup at Blackman Pk was such a success (with the lead changing many times during the race) we have decided once again to kick it "old school" and have the 4th annual Anniversary Cup.

The location is the scout hall at John Miller St, Ryde. The two course options are:

- A 30-checkpoint score event run exactly the same as the normal, weekly Sydney Summer Series rounds (start any time from 4.30-6.45pm).

OR

- A 6.5km line course with a mass start at 6pm. This will be the Anniversary Cup event. Trophies will be presented to the fastest female and male in this category.

There will also be a free mini course for children

Pre-entry for the Anniversary Cup line course is through [Eventor](#). There will be some enter-on-day line course maps available. Results from both courses will be included in the usual SSS point score tables.

The Sydney Summer Series showcases the best parks, reserves, bush tracks and harbour foreshores in a 45-minute navigational challenge that anyone can do. Participants range in age from 10-80.
