FAMILIES ENTRIES

Members entering their family group will be “automatically” capped at the maximum price of 2 adults and one child on their order with SI hire as extras.

If Eventor calculates this incorrectly, proceed with the payment , then contact OQ Treasurer Tony Bryant at treasurer@oq.asn.au. Or Membership/Eventor Officer Rob Crosato at membership@oq.asn.au who can process a PayPal credit for you.

Variances may arise if you have a tertiary student over 20 still being supported by you.

Likewise if you are a non-member entering your family, after you process your entry, please contact Tony Bryant or Rob Crosato as per above so they can give you a credit to cap your entry order to \$48 for OY events and \$63 for Badge events if you're order is greater than these amounts.

Remember, SI hire costs are extra.
