

Southern Autumn Twilight 4 - Goulburn St Primary School

Location:

Goulburn St Primary School

Date:

Wednesday March 6

Event Category:

Southern Region Autumn Twilight 4

About This Event:

This event is quite different to the other events in this series – please read on ...

Goulburn St Primary School is a tiny but delightfully complex campus, which offers a challenging urban sprint course, but with a few problems:

Parking: The school is bounded by Goulburn St, Forest Rd and Cane St. The best chances to find a park are along Goulburn St and Forest Rd.

Access: The event centre and start/finish are on the school oval, access is from Cane St.

Courses: All courses are printed on both sides of the sheet, so you will be required to flip your map halfway around. To add complexity to the courses, **3 gates on the courses will be blocked by black and yellow tape. Orienteers on all courses must not pass through these gates** (but non-competitors may duck under them).

Be Extra Careful:

- There will be many people running in a small area – to avoid collisions, **take extra care running around corners of buildings.**
- Thick black lines on the map denote **uncrossable fences, and you must not attempt to cross them** – you would have trouble doing so anyway.
- Do not cross any gardens.

When Can I Start?

Starts are between 4:00pm and 6:00pm. **This is half an hour later than normal** to allow normal after-school traffic to clear.

When Do I Have To Finish?

You need to finish before the course is closed at 6:30pm. If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download at the computer, so that we know you have returned safely and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

What Are The Courses?

This is different to normal – please read carefully.

There are 4 courses:

Course 1: 2.3 km

Course 2: 1.9 km

Course 3: 1.6 km

Course 4: 1.0 km

People doing the Long Course will do courses 1 and 2. You will be required to download after Course 1, then clear, check and start Course 2. Your results will be added (by magic).

People doing the Medium Course will do courses 2 and 3. You will be required to download after Course 2, then clear, check and start Course 3. Your results will be added (by more magic).

People doing the Short Course will do course 3 only.

People doing the Primary Course will do course 4 only.

Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 or purchase one for \$10 at the event.

Information for Newcomers

All newcomers are encouraged to come along and give orienteering a try. There are courses suitable for newcomers at all orienteering events. Your first event is free and you do not need any special clothing or equipment. There will be someone there to help you get started.

General information for newcomers is available on the website under [Get Involved](#)

What Else Do I Need To Know?

All participants in events conducted by Orienteering Tasmania and its affiliated clubs are required to register. There are two categories of registration, either as a full member or as a casual member. Further details are available on our About Membership page.

As Orienteering Tasmania events are often conducted on private property we have blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering.
