

Mountain Bike Orienteering Coaching / Training Day –

Westerfolds Park, Templestowe

Saturday 30 March 2019

Starting at 10 am.

Location: Westerfolds Park, Templestowe
– enter from Porter Street.

The training will be for anyone new to MTBO, for mountain bikers with minimal orienteering skills, or for orienteers with minimal MTBO experience. Children and families are most welcome too.

There will be some short courses to try out skills, and some coaching/explanation to help you better enjoy your next MTBO event.

We will have a number of experienced MTBOers available to assist you.

It will be free to take part, but we have set it up as an event in Eventor so that we can better estimate how many people are coming and how many maps to prepare. If you haven't used Eventor to enter an event before, you will need to register first.
