When Do I Have To Finish?

If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

What Are The Courses?

Long: 4.1 km

Medium: 2.8 km

Short Novice: 1.2 km

Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. These are also available for purchase at most events. Please note that P-cards are not suitable for courses with more than 19 controls, so talk to the registration team if you have this problem.

What Else Do I Need To Know?

All participants in events conducted by Orienteering Tasmania and its affiliated clubs are required to register. There are two categories of registration, either as a full member or as a casual member. Further details are available on our About Membership page.

As Orienteering Tasmania events are often conducted on private property we have blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering. A BBQ is available adjacent to the start area and there is a great café (Drift) and restaurant (Mrs Jones) close by. Bring your bathers if it's hot and go for a dip after your run.

Carpooling Rendezvous Details for OST Events?

Please place a free advertisement in the weekly bulletin if you are looking to car pool. Email your advertisement to communications@tasorienteeing.asn.au before 8am on Tuesday before the event.

Or, alternatively, you can post an item on the local club orienteering pages.
