About This Event:

This is the fifth event in the statewide "OST" series with the usual 9 courses available. It is also the second selection event for the Tasmanian Schools team. It will be very exciting!

The area comprises private property and is characterised by broad plateau terrain with mixed farmland and forest dissected by deep valleys with extensive sandstone features including rock faces and boulders. For the shorter courses (8 and 9), it is largely open eucalypt forest and farm paddocks on mainly flat to undulating sandstone. Remapped by Alex Tarr in 2017.

Courses juniors should run for School Team selection at OST 5 Lovelybanks East on May 12th 2019

All courses have an easy 300-400m walk to the start. Allow sufficient time to get to the start (maybe 10 minutes).

When Can I Start?

You can start anytime between 10am and noon. Starting as early as possible gives you more time to

complete the course. Start times are likely to be pre-allocated for school students (courses 3, 4 and 7). We will do our best to be flexible to allow split start times if you have small people to care for.

When Do I Have To Finish?

You need to finish before the course is closed at 2:00pm. If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or

a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. These are also available for purchase at most events.

How Do I Enter?

Information for Newcomers

Newcomers are encouraged to come along and give bush orienteering a try. Wear comfortable clothing and foot wear suitable for walking or running; bring warm clothes and wet weather gear in case the weather is inclement. Long pants are a good idea if you plan on doing a course that takes you off tracks and through the bush. When you arrive at the event come to the registration desk and let the organisers know you are new; an experienced member will help you through the registration, start and event procedure.

For OST events newcomers may enter on the day at the event, to do either course 7 (moderate navigation) or course 8 (easy navigation). If you enter via Eventor enter class M/W Open B for course 7 (moderate navigation) or class M/W Open C for course 8 (easy navigation).

General information for newcomers is available on the website under [Get Involved](#)

What Else Do I Need To Know?

All participants in events conducted by Orienteering Tasmania and its affiliated clubs are required to register. There are two categories of registration, either as a full member or as a casual member. Further details are available on our About Membership page.

As Orienteering Tasmania events are often conducted on private property we have blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering. As well, please leave gates closed or open as you find them.

Any Food, Entertainment, Coaching or Other Special Attractions?

The juniors (& their parents) will be running a fundraising BBQ, and will also have drinks and slices of yummy cakes for sale. Ask Mick for a vegan burger. Yummm! There will definitely be other special attractions, but you will have to come along to find out what they are! Go on, you know you want to come...

Carpooling Rendezvous Details for OST Events?

If you have an empty seat in your car, please consider car-pooling. This should be fairly easy to self-organise - you can use the entry list on Eventor to search for other potential car poolers from your home area. If that is too hard, you can place a free advertisement in the weekly bulletin if you are looking to car pool. Email your advertisement to bulletin@tasorienteeing.asn.au before 5pm on Tuesday before the event. If that is also too hard, ask Jemery to help – occasionally he is actually quite helpful!
