

## 2019 ACT MTBO Series #2 Sunday 26 May 2019

**Start Times:** from 10:00am till 11.00am, **Course closure:** 2.00pm

**Map:** Bruce Ridge, 1:10 000, 5m contours

**Course Setter:** Eoin Rothery

**Course Controller:** Cath Chalmers

**Assembly Area:** Masterman St, Bruce (GIO Stadium, parking). It is 250m to the Start and Finish which are at the Bruce Ridge Information Board. Through the underpass, right up the hill and through the gate.

**Classes:** Long (M/F), Middle (M/F), Short (M/F), Novice (M/F)

**Comments from Course Setter:** Courses will have a mix of fast flowing single track and fire trails. Some areas are quite sandy or rocky at the moment. All tracks should be regarded as two-way: its a small area and you should be on the look-out for oncoming riders at all times. Keep left and downhill riders should give way to those going up hill. BUT one track, Davisia Down, is one-way (downhill) - please observe. Arrows on the map mark the direction.

Most tracks are easy riding, however there are some rocky sections and log roll-overs which some people may feel more comfortable walking their bike over (like we do). The fire trails are straighter, but some sections are **really steep**. The main roads (GDE, Carswell Drive and Belconnen Way) are out of bounds and are not to be used. There are three underpasses, all of which are route choice options on some of the courses.
