CAMP CODE OF BEHAVIOUR

As a camp participant

- Follow all directions of camp management/ coaches and adult helpers
- Participate to the best of your ability in all camp activities
- Show support and encouragement towards other camp participants
- Observe bed time and lights out times. We all need enough rest for camp to be a success.
- Keep socialising for the common areas. Visiting or socialising within bedrooms or dormitories is not permitted.
- Arrive promptly at mealtimes, and for bus departures or commencement of activities.
- Be responsible in organising all necessary gear and equipment in good time before departing to activities. Please note that it is compulsory for participants to wear ankle strapping tape or braces, while orienteering, unless there are sound medical reasons given not to. This greatly reduces the number and severity of ankle injuries on camp.
- Be prompt and co-operative in attendance/ completion of any allocated chores or duties, eg washing up.
- Be friendly and polite to all participants and camp staff.
- Smoking, drinking of alcoholic beverages, or the taking of non-prescribed drugs is strictly forbidden.
- Stay within designated camp area, or activity area at all times. Any necessary departure from this must be with the permission of a QOA camp manager.

Breach of the Code

A breach of this code of behaviour, in the opinion of camp officials, may result in the participant being banned from the remainder of the camp and may also result in the participant being sent home by the first available transport. Parents and the QOA Committee will be notified. Any additional expense incurred will be the responsibility of the parents. Further disciplinary action may be considered depending on the seriousness of the breach.
