Date:

18 August 2019

Event Category:

Southern Regional Ripper

Event Series Information:

Southern Local #7

About This Event:

The courses are all situated within the Pilchers Hill reserve with no street legs so a lot of the reserve is visited! The standard 4 courses beginners, short, medium and long with the climb not too excessive.

If you are a Tour nutter the polka dot jersey will probably be won on leg 11 of the long (80m climb), the green jersey of course will be determined in the finish chute (up to 200m), and as for the yellow jersey that would be shared across the 4 course winners (unless someone does all four courses).

Where is the Start?

It's a 150m walk from the registration area. See location info above.

When Can I Start?

You can start anytime between 10 and 12. Starting as early as possible gives you more time to complete the course.

When Do I Have To Finish?

You need to finish before the course is closed at 1.30 pm. If you will not be able to complete your course in time you will need to abandon it and head back to the registration area to arrive by course closure time. Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

What Are The Courses?

Long at 4.9k's hard navigation, 13 controls

Medium at 3.7 k's moderate to hard navigation, 11 controls

Short, 2.3 k's and easy navigation, 11 controls

Beginners / Novice, 1.5k's easy navigation, 12 controls

Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. These are also available for purchase at most events. Please note that P-cards are not suitable for courses with more than 19 controls, so talk to the registration team if you have this problem.
