MapRun is easy orienteering using a SmartPhone for tracking and timing.

There are no orienteering flags placed on the course – your phone beeps and vibrates as you approach controls. At the finish immediate feedback is provided with GPS tracks, personal results and overall results for the event.

You can do Maprun courses any time, provided the park is open.

Getting Started

Install the free MapRun App (Apple App Store or Android PlayStore). Start the App, read and accept the terms and conditions then tap “**NAME**” and register your details.

Tap “**EVENTS NEAR ME**” and select the event you want.

Beechworth:

- The event is in central Beechworth with the Start/Finish in the “Police Paddock” Historic Precinct Reserve.
- This is a **30 minute Score Event** – that is, score as many points as possible in the allocated time.
 - Each control you visit scores points according to its number – a control numbered ‘38’ is worth 30 points, ‘42’ is worth 40 points etc.
 - Note that there is a score penalty for overtime – you lose 30 points for each minute over the allocated time.
 - The “**Time**” box (top left of screen) displays elapsed time since you started at the first point, the “**Remaining**” shows the time you have left for your race.

Ready? (screenshot, hat, water?) **GO!**

- Tap “**GOTO START**” (course map will appear).
- Find the start location in the real world - the triangle on the map and finish at the double circle.
- Decide on the route you want to take, tap “**Start the GPS**”, make your way to the start. When your phone beeps / vibrates , move onto the next control on the map repeat until finished.

When you are finished, tap “**SHOW RESULTS**” to compare your time with others or your own result from previous attempts. You can also see results on the website: <http://maprunners.weebly.com/results.html>.

Warning: You participate at your own risk and are responsible for your safety. Take care crossing roads, use pedestrian crossings and lights if available. All council rules and by-laws apply. Please respect our beautiful parks!
