

WA State Sprint Championships 2019

Information for participants

START TIMES

Start procedure

Start minus 3 minutes: Identity check.

Start minus 2 minutes: Control descriptions.

Start minus 1 minute: Map boxes.

Allocated time starts will be used for championship competitors.

A punch start will be used only for late starters and Entries on the day.

If your SI stick (e-tag) is different from the one shown in Eventor please tell the computer operator before you start.

EODs will start after 1.30 pm

COURSE INFORMATION

As well as an Easy grade course Karen Staudte has set challenging Hard courses that exploit the complex building shapes, stairs, many landscaped areas and patchy open woodland where vegetation although mapped as pale green or white is easy to run through.

Planted beds are generally mature and dense but all of which are mapped as out of bounds, in olive green, and as all other uncrossable features, must be avoided.

Roving marshals will disqualify anyone seen crossing those.

EVENT RULES

Orienteering Australia Competition Rules apply to this event.

In particular please see:

sections 22.8 & 22.9 about late starters

section 27 & 28 about complaints and protests.

In the event of a protest a jury will be convened from available eligible people.

PRESENTATIONS

Presentations are aimed to start at 2.30pm.

As well as the presentation for place getters in all championship classes a school team presentation will take place.
