About This Event:

A Southern Local event on the edge of the city. Four courses ranging from short beginners to a long hard course for experienced orienteers. Enjoy the lovely environment of the Waterworks Reserve on a pleasant Spring morning. Bring the children and grandchildren. Enjoyable activity with challenges for all levels of fitness and ability.

Where is the Start?

Start and finish are just inside the Waterworks Reserve entrance, Waterworks Rd, Dynnyrne. Park outside the entrance as there is limited parking inside. There is a public toilet 300 m up the road inside the reserve.

When Can I Start?

You can start anytime between 10.00 am and 12.00 midday. Starting as early as possible gives you more time to complete the course.

When Do I Have To Finish?

You need to finish before the course is closed at 1.30 pm. If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

What Are The Courses?

There are four courses:

Novice: (Easy navigation) 1.3 km

Short: (Moderate Navigation) 1.7 km

Medium: (Hard Navigation) 3.2 km

Long: (Hard Navigation) 4.2 km

Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at

the event. These are also available for purchase at most events. Please note that P-cards are not suitable for courses with more than 19 controls, so talk to the registration team if you have this problem. No courses at this event have more than 19 controls.
