**Event Series Information:**

Northern Autumn Twilight Series Event 1

**About This Event:**

This event is the first of the Autumn Twilight series and will be held at the Scotch Oakburn Senior School Campus. There are 4 courses on offer, suitable for a wide range of ages and abilities that will see competitors venture up into the complex senior school campus and across the fast ovals and parkland. This event is a great opportunity to get out and about, running in an area that most people will never have been to before.

**Where is the Start?**

The start is located on the other side of the main cricket pitch/football oval (northern side) down at Scotch Park next to the tennis courts.

**When Can I Start?**

You can start anytime between 4pm and 6pm. Starting as early as possible gives you more time to complete the course.

**When Do I Have To Finish?**

You need to finish before the course is closed at 7pm. If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

### What Are The Courses?

There are 4 courses on offer ranging in distance and difficulty. All courses baring the beginner venture up to the main school campus.

	Distance (m)	Controls
Long	2930	21
Middle	2040	17
Short	1420	11
Beginner	1160	11

### Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. These are also available for purchase at most events. Please note that P-cards are not suitable for courses with more than 19 controls, so talk to the registration team if you have this problem.
