

ACT & NSW Orienteering Camp

Wagga Wagga 20-22.03.2020

Invitation 24.02.2020

## Welcome

On behalf of orienteering ACT I would like to warmly welcome all participants to the camp. The camp is open to all ONSW and OACT members as well to any other interested orienteers.

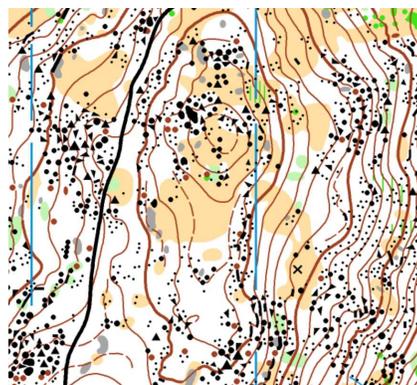

## Organizers

## Goal

We want to get prepared for Easter 2020 in Orange. Besides that we want to have good training together and lots of fun! The courses will assume not beginner skills however there will be a possibility to facilitate beginners too.

## Preliminary plan

### Friday

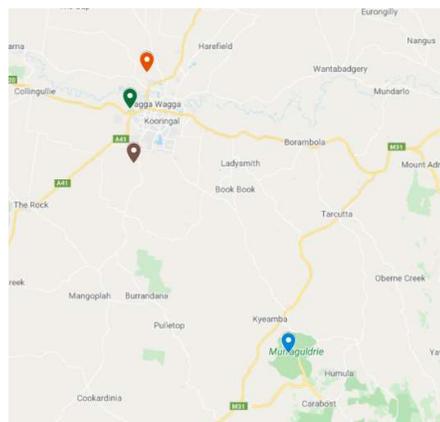

The camp will start with afternoon training in Connorton and will be followed by optional night training in Charles Sturt University.

### Saturday

In the morning there will be a mixed (bush and urban) training at Charles Sturt university. That will be followed with Connorton bush training on afternoon and optional night training in Pomingalarna.

### Sunday

We will end a camp with 2 sessions in Burngoogee orienteering map with lunch on site in between of them.

## Accommodation

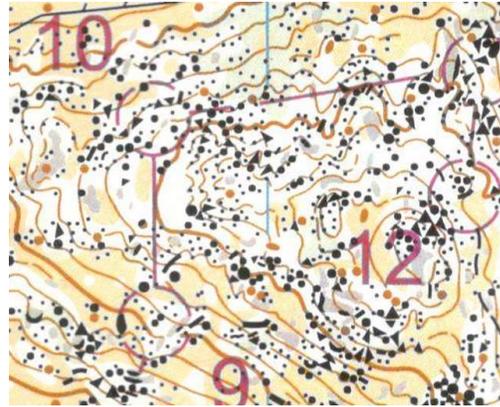

I will try to find affordable accommodation for all of us so we can stay together in one place and have some nice social time in between of trainings.

## Food

Depending on accommodation – might turn out to be a camping spot, we will try to prepare food together.

## Costs

Depending on accommodation – we try to find cheapest one with kitchen most probably. I would expect 100 dollars for a person for 2 nights max (booking suggests 60 dollars now). Plus food most probably 15-20 dollars per person if cooking all together. Also there is 15 dollars entry fee for whole camp.

## Entry

Come and join us on the fun camp preparation to Easter 2020! Enter by 08.03.2020 to be considered for common accommodation – later entries will have access to it only depending on availability.

## Next bulletin

It will be announced no later than 2 weeks prior the event with all the fees concerning accommodation and hypothetical food fee.
