Covid-19 Response

Orienteering Tasmania has developed protocols for promoting social distancing and minimising the risk of spreading the virus at events. Specific instructions for this event will be displayed in Eventor.

Where is the Assembly Area?

Travel towards Coles Bay. Approximately 50m before the 60kph sign on entering Coles Bay turn left onto the track. There will be a sign at the intersection. Follow the track for approximately 1.5km. Parking and the assembly area will be on your right. Please follow directions for parking.

When Can I Start?

You can **start anytime between 10:00 am and 12:00**. Starting as early as possible gives you more time to complete the course. There is only a short (5 minute) walk from the Assembly Area to the start.

When Do I Have To Finish?

You need to **finish before the course is closed at 1:30 pm**. If you are not able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download your SI stick at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

Do I need an e-stick or P card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$5 for the weekend when you enter on Eventor.
