**Location:**

Glen Stuart

**Date:**

Sunday 19th July

**Event Category:**

Northern Regional

**About This Event:**

Post lock down event!!

Get rid of the cobwebs and go for a run or walk on the picturesque Glen Stuart Farm.

The event is being run on a mixture of bush and farm paddocks. On a clear day the views from this part of Allan and Carol's property are fantastic with views of the Western Tiers , Ben Lomond and Stacks Bluff. Running is generally nice under foot.

Brush up your compass work and build your fitness.

Due to Covid changes there will be no toilet, results table or catering and some other minor changes, and the sheep have been advised to keep 2m away from runners at all times.

**Where is the Start?**

To reach the event travel south beyond Evandale on the C416 for approx. 8 kms.

Bryants lane is a dirt road on the left, opposite to the turn of for Clarendon house. Look for signage.

Parking and the event will be on the south side of Bryants lane, signs will be out on the day. There is a short walk to the start.

**When Can I Start?**

You can start anytime between 10am and 11.30am. Starting as early as possible gives you more time to complete the course.

**When Do I Have To Finish?**

You need to finish before the course is closed at 1pm.

If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

**What Are The Courses?**

Short, Medium and Long distance courses are available, the short course is suitable for newcomers.

Advice available on the day for newcomers.

For those that are really keen there is a VFM (value for money) variant of the long course to bag some extra k's. This will be a choice runners can make at the last control of the long course and still have the urge to push on.

### **Do I need an e-stick or P card?**

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an e-stick or a P card is required at all events. If you do not own an e-stick or P card, you can hire one for \$4 at the event. These are also available for purchase at most events. Please note that P-cards are not suitable for courses with more than 19 controls, so talk to the registration team if you have this problem.
