### COURSE NOTES:

- There are sheep in the paddocks so please close gates behind you on driving into the property and up the hill.
- The area was mapped in 2004 by Alex Tarr, with some updates since then.
- Please stay out of paddocks outside of the competition area as these are in crop.
- All courses scale 1:10 000 with 5 m contours.
- Climb is calculated with minor deviations in route to minimise this but is otherwise straight line.
- There are many controls on the course so remember to check your codes!
