Safety warnings

You must check in before you start, and when you finish. You must return before course closure time for your session. If the assembly area has more than 10 participants waiting when you arrive, please wait in your car.

When you arrive, please get ready at your car. Come to Registration to be signed in, and to collect an SI stick if borrowing one. You will be given a map, and directed straight to the nearby Start.

When you finish and download, warm down quickly and leave as soon as possible, so that others waiting to register can do so.

Remember COVID19 hygiene and physical distancing from others. Please leave once you have completed your course. Some areas of the park may be crowded – avoid large groups.

Please stay home if you are unwell or have symptoms; if you have been in close contact with someone with Covid-19; are awaiting Covid-19 test results; or have been asked to self isolate.
