Safety warnings

You must check in at Registration before you start, and when you finish. You must return before the course closure time for your timeslot. If the assembly area has more than 10 participants waiting when you arrive, please wait at a distance until the area clears.

When you arrive, please get ready at your car. Come to Registration to be signed in, and to collect an SI stick if borrowing one. You will be given a map, and directed straight to the nearby Start.

When you finish and download, warm down quickly and leave as soon as possible, so that others waiting to register can do so.

Remember COVID19 hygiene and physical distancing from others. Please avoid touching the controls with your hands, and do not linger at controls. Stay clear of large groups within the park.

Please stay home if you are unwell or have symptoms; if you have been in close contact with someone with Covid-19; are awaiting Covid-19 test results; or have been asked to self isolate.

MAP AND COURSES

Map scale 1:10000, colour. Updated 2019.

Courses:

- 1 – Long Hard, 6.6 km
- 2 – Medium Hard, 5.6 km
- 3 – Short Hard, 3.9 km
- 4 – Moderate, 4.5 km
- 5 – Easy, 3.2 km

The terrain is generally fast and open, with some slopes and vegetation. There are numerous tracks. Expect to get your feet wet and muddy. Controls have been located to avoid the flatter, low lying areas.

Sportident – all controls will be in SI AIR mode, to enable contactless punching if you have a SIAC stick. Regular/older SI sticks will also work as normal. Please avoid touching control units with your hands in any way.

The toilets at Police Paddocks are currently closed for plumbing repairs, and may not be open on the day. Please use toilets at nearby Coles or Woolworths service stations, or Tirhatuan Park.
