

Karrak Carnival

2014 Australian Championships Carnival

General Information

Entries

To reduce the likelihood of frustration and mistakes please make sure that you read the '**How to use the Eventor on-line system**' document, which can be found in the grey panel on the right side of each entry page in **Eventor**.

Entries close at 23.59 August 31 (WST). There is no provision for late entries.

Fees

The tables below give the normal fees and "Early Bird" fees for all events.

Early Bird fees are available until 23.59 on June 30 (WST).

Junior fees apply to M/W14 - M/W20.

Sub-juniors are M/W10 and M/W12.

Family entry fee structures are as defined in Eventor. See "How to Enter the Karrak Carnival" for details of "Family Discount" in Eventor. The maximum (and most common) family fee will be equivalent to two adult and one junior fee.

Karrak Carnival running shirts can **only** be ordered with entries for the Australian Long Distance Championships under "**services**" for that event. If you are not entering the Australian Long Distance Champs use the drop down arrow under "**Class**" and select "**does not compete**" to eliminate the entry fee for that race. There is no early bird discount for shirts.

Camping

Budget camping will be available on the oval at Northam Recreation Centre throughout the Carnival, from 1pm Thursday 25 September to 5pm Sunday 5 October at \$10 per night, per tent, campervan, or caravan, regardless of the number of occupants.

Use of the basic facilities at the adjacent football club pavilion is included. It contains toilets and separate change rooms with showers. BYO everything, e.g. disposables, soap & toilet paper.

Security note. The oval is exposed to public view. Neither Recreation Center staff nor OAWA will be responsible for any loss or damage to private property and advise that when the camp site is unoccupied that all personal items should be taken away with you and the pavilion will need to be locked. Details of access will be made available to campers at a later date.

Camping can be booked under "**services**" in the **W.A Long Distance Championships** listing in Eventor. To book camping for multiple days, just click the + (add) button until the appropriate amount i.e. \$10.00 per day, **is** showing.

If you are not entering the WA Champs use the drop down arrow under "**Class**" and select "**does not compete**" to eliminate the entry fee for that race.

SI tag hire

SI tag hire is available under "**services**" in each event listing in Eventor.

NB. There will be a charge (maximum \$80 depending on the type of SI tag) for failure to return an SI tag.

Cancellations notified before entries close will receive a 90% refund (the retained 10% is for unrecoverable Eventor fees and bank charges). Cancellations must be via email to the carnival organizers 2014ausochamps@gmail.com; you cannot cancel through Eventor.
