### About This Event

This is the 2020 Tasmanian Sprint Relay Championships.

The event will consist of teams of four members, but some teams with less members some may require some members to run twice. Long, Medium and Short courses will be available, so please select your preference when entering. No need to organise a team yourself, they will be selected based on entries and ability once entries have closed.

### Course Planner and Controller

Course Planner: Dirk Nankervis

Course Controller: Kim Nankervis

## Where is the Arena?

The arena is in the Cataract Gorge Reserve, Basin Road, West Launceston. Follow the orienteering signs once you have arrived at the reserve.

Parking in Council's carparks is pay & display, however parking on Basin Rd is free (if you can find a space).

## When Can I Start?

There is a briefing at 10.15 am with the mass start for ALL competitors at 10.30 am.

## When do I Have to Finish?

You need to finish before the course is closed at 12.30 pm. If you will not be able to complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time. Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

## Which Map is Being Used?

Map: Cataract Gorge (August 2020).

Scale: 1:4,000

Contour Interval: 2.5 m

## What are the Courses?

Course	Target Winning Time	Navigation	Distance (Approx)	Number of Controls	Age Group Classes
Long		Moderate	2.2 km	19	
Medium		Moderate	1.5 km	12	
Short		Easy	0.8 km	10	

## Do I Need an SI Stick or P Card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic punching system so an SI-stick or a P card is required at all events. Due to COVID-19 we strongly encourage everyone to buy their own timing device.

P-cards are suitable for all local events, but for bush events it is preferable to have an SI-stick – they are faster to use and register more controls.

If you do not own an SI-stick or P card, you can hire one for \$4, or buy a P-card for \$20 when you enter online. Hire sticks will be disinfected between events.

If you would like to buy an SI-stick for \$60, see [aussieogear.com](http://aussieogear.com).

## Information for Newcomers

Newcomers are encouraged to come along and give orienteering a try. Wear comfortable clothing and foot wear suitable for walking or running; bring warm clothes and wet weather gear in case the weather is inclement. Long pants are a good idea if you plan on doing a course that takes you off tracks and through the bush.

When you arrive at the event come to the registration desk and let the organisers know you are new; an experienced member will help you through the registration, start and event procedure.
